5. Matters Arising from Previous Minutes -

6. Secretary's report

The main objective of this meeting in the light of the corona virus outbreak was to determine a way forward regarding the 2020 season, taking in the guide lines provided by Bowls England and the National Government.

7. Conclusion

In light of the above the executive felt they had no option but to cancel all bowls controlled by the Association for the 2020 season. This entails the league programme all competitions and Association friendlies.

8. Treasurer's Report

It was also agreed that, monies that had been banked by the Association would be returned to clubs these include (PRESENTATION EVENING TICKET FEES & COMPETITION FEES)

THE AFFILIATION FEES will not be returned as these will still be required by the Association.

The Association Secretary Mr Alan Gray will deal with this as soon as possible.

9. Any Other Business

Information from Thurrock Council to the Association has been zero, however an email from Mr. Jahir Ali regarding the green at Corringham stated that the council would continue to maintain any of the greens still under their control throughout the summer. These are Corringham, South Ockendon and United Services all other greens are being maintained by private contractors or by their own club members.

M. Coulson and D. Haworth are to speak to council hopefully via Jahur Ali in an attempt to get some clarification regarding their view on the playing of bowls and the maintenance of greens throughout the borough for the 2020 season.

10. Future Meetings

In the light of present situation, it was agreed that next executive meeting would take place in late November with the next delegates meeting being the AGM in December 2020.

If there is any change to the current situation the committee will call an emergency meeting if required.

Meeting closed at 11 am
