Please be aware that all league matches this season are to be played over 18 ends plus 2 trial ends. In the case of inclement weather, if an average of twelve (12) ends have been played across the rinks, the game shall be deemed to have been completed and the points awarded accordingly. If however the average of ends completed is less than twelve (12) at the time of abandonment, then the match must be completed at a later date on the same rink and the same players where practicable.
